Subject: Request for Project Grant Proposals

Dear Sir/Madam

HelpAHand.org is a US-registered non-profit public charity organization based in California formed to help the underprivileged and deprived people of Bangladesh. HelpAHand typically partners with other non-profit organizations in Bangladesh to provide charity services in the poor neighborhoods and villages.

Non-profit charitable organizations in Bangladesh interested in partnering with HelpAHand are now requested to submit a formal application for possible funding. HelpAHand will consider any project that deals with improving the socio-economic condition of the underprivileged people in Bangladesh. However, preference would be given to projects focused on education & healthcare of the children and vocational and life-skill trainings. Projects in the villages and on-going projects that can clearly demonstrate the need/opportunity for expansion but have been unable to do so because of lack of funding would also be preferred.

Projects will be selected for funding based on merit, the requesting organization's credibility and its prior experience in performing similar charity work. HelpAHand funding is not available for organizations run by individuals or those organizations that do not have a track record.

All organizations seeking funding from HelpAHand, the project proposals may be submitted through email or mail. The proposal must clearly delineate how HelpAHand funding will be used to expand the charity work.

If you have any questions, please contact me at abukazi@hotmail.com.

Thank you.

Sincerely yours,

Abu Kazi

Director
